Established Leadership and Apostolic Order – Restoration of the Unity of Faith

Speaking during the consecration service, the Deputy ICO admonished leaders encouraging them to understand the foundation of the AFC and be steadfastly commitment and submit to authority according to the Apostolic Order established by God in the AFC from the beginning, and honour the Vision carrier and our Father in the Faith Rev Duncan Lee and connect to the blessed Apostolic Anointing. He made reference to the Governance Manual of the Church and guided that the foundation of the AFC was anchored on Christ by the Will of God through the outpouring of the Holy Spirit at the beginning of the 20th Century with the manifestation of the Gifts and Operations of the Holy Spirit grounded in the Word, further explaining that to the contrary, the AFC was not established on lies and deception of rebellious leaders and disrespectful individuals. He declared

that God was in this season restoring His Church back to the Spiritual Blessing of its founding and then lifting us up to the next level and dimension of Grace and Blessing in the Unity of our Precious Faith. He read from **1 Samuel 13:8-14** and said God seeks for Himself leaders **After His Own Heart** who follow the Instruction and Command of the LORD.
